

IN YOUR FACE.

Calendars Won't Be Ignored.

Personality. Power. Presence.

Few things are this simple – few this effective. In business, calendars are the handshake that lasts. They're a memorable introduction – an ongoing thank you – a business card that sits front and center 365 days a year. Re-discover the impact of the desktop calendar, appearing daily with:

- A quick schedule reference – no clicking required
- Brand repetition/reinforcement at under a penny a day
- An annually renewing reason to reach out and connect
- Incomparable ease-of-ordering, value and ROI

Be Noticed. Be Appreciated. Be Remembered.
